Confidential

Dear Mr. Dulles:

Congressman Walter H. Judd tells me that he has told you of my interest in forming an organization to be known as American Prisoners of Communism, Inc.

As I see it, there are several necessary jobs for such a group to perform:

1. Help rehabilitate returning prisoners;
2. Counter the "hate-the-progressives" propaganda such as appeared recently in connection with the release of Korean war prisoners, which some columnists like Sokolsky are stirring up;
3. Educate the grass roots to the threat of Communism as it can be simply explained in terms of these men's experience;
4. Strengthen the hand of the Secretary of State by reminding our citizens of the moral reasons for standing firm against the Communist regimes in Red China, the Soviets and the satellites, so long as they use American lives as "blackmail".

I would welcome any suggestions you would care to make.

Sincerely,
